  - Provide the following drums: Yamaha 20-inch kick drum, ONE 18 or 16-inch floor tom, ONE 12, 13 or 14-inch rack tom, and ONE 14-inch snare drum. Provide the following drum hardware: hi-hat stand, ONE straight cymbal stand, ONE boom cymbal stand, snare stand (MUST be able to be set very low), and drum stool.
  - A single-tier keyboard stand, with a board to cross the top approx 100 cm x 45 cm.
- NB - If you cannot provide the monitor setup as stipulated you must be prepared to supply an additional keyboard amp. Please check with us if this is the case.

## STAGE REQUIREMENTS

- Two music stands with lights.
- Provide a drum rug of sufficient size.
- Provide a chair without arms.
- No drum riser on stage.
- **Electricity:** Provide an Isolation transformer producing 110-120v delivered via US Mains-style outlet for powering synthesizer and effects.

## LIGHTS

We are always happy when the lights are simply set, focused, turned on and left alone during the show. Overhead lights should be focused on the center mic and bass player positions. We need to read notes. Light scenes can shift but avoid rapid flashing. No smoke-machines are to be used during our performance. Lighting should be theatrical rather than rock-ist. Stage must NEVER fade to black between songs.

## HOTEL REQUIREMENTS

- The exact number of rooms to be paid for by the promoter will be advised by our agent but will be, at the minimum, the number of the tour party.
- At least one of the rooms must have a kingsize bed for Mr Thomas.
- All rooms must have en-suite bathrooms, a phone and television
- The hotel must be minimum 3 star with a lift unless the rooms are on the ground floor
- **HOTELS MUST PROVIDE SECURE PARKING FOR OUR TOUR VEHICLE WHICH CAN BE UP TO 2.57M HIGH AND OF SOME LENGTH.**
- The booking must include full breakfast
- We are responsible for any hotel extras (phone, minibar and laundry); the promoter must pay for the rooms, breakfasts, parking and any taxes.
